

SPECTRUM SENSORY GYM POLICIES AND PROCEDURES

Be mindful and have fun!! Before entering the sensory gym space for the first time, the parent or guardian must read and sign a waiver. You can save time by printing, signing, and bringing to Turn To Us Spectrum Sensory Gym.

All adults and children must wear a mask indoors, except children who cannot wear a mask.

Everyone must wash hands after removing shoes.

Frequent hand sanitizing is encouraged.

A parent or guardian must remain with the child.

Siblings are welcome as long as they play mindfully.

If your child is not playing mindfully, we're happy to assist you.

If it turns out your child is just not ready to maintain mindfulness in the gym space after we've worked together to guide them, we will need to respectfully ask you to leave to preserve the integrity of our playtimes.

All children are to be accompanied by an adult in the restroom, gym space, and during activities, sessions, or therapies.

Diaper changes only in the restroom. Be sure each child washes their hands thoroughly.

No food or drink is allowed in the gym space.

Everybody must remove their shoes before playing in the gym or participating in floor-based enrichment groups.

Adults are required to wear socks. Children may wear socks or go barefoot, creating an authentic sensory experience.

A staff member on the floor will demonstrate proper equipment use as needed. However, you are solely responsible for the safety and well-being of your children. You must supervise your children at all times. Equipment is only to be utilized in its regular intended use. You must listen to and abide by Turn To Us Spectrum Sensory Gym volunteer, therapist, guest instructor, or staff member's instructions.
